Community Enters Second Week Of Drive To Raise $8,000 For Red Cross War Fund

Homes and stores in Daly City have begun to display the American Red Cross service flag in front windows, signifying participation in the 1944 Red Cross War Fund, as this community enters its second week in the campaign. With a goal of $8,000 to meet both the chairman of the business section, John Degliantoni, and the chairman of the women's division, Mrs. Joseph Conlon, are hard at work and both ask everyone's whole-hearted cooperation.

Mrs. Conlon has organized a corps of women who are handling the house-to-house canvass of residential Daly City. Still more volunteers are needed to take territories not already assigned and any woman willing to help may contact Mrs. Conlon at JUniper 4-6111. In addition, she is at the Red Cross workroom, Theatre hall, Wednesdays and Fridays during the noon hour and will give information or supplies gladly at those times.

For the convenience of business people and residents three public places where donations may be made and membership cards issued have been designated. The Daly City branch, Bank of America, will accept contributions for the drive, as will the Daly City Police department, city hall, 75 Wellington avenue. Miss Muriel Mooney will also take donations at the Daly City Water department, city hall.

Degliantoni said that checks made out to the American Red Cross could be mailed directly to him at 6301 Mission street or to Mrs. Conlon at 462 Templeton avenue. Those who send in checks will be sent cards, pins, and window stickers.

Theme for this year's drive is that painted on the sidewalks in the business district here—"Give Double!"

A list of those women already helping in the house-to-house canvass is published this week, with the home addresses of each. The

SERVICE CENTER

Maybe this week's "hostesses" at the Daly City Servicemen's club, 6201 Mission street, aren't the glamour-girl type but they make good coffee just the same, according to the boys who frequent the center. Organization in charge, currently, is the Daly City-Colma Lions club, a strictly "stag" group, which is doing its best to make the club a pleasant place and one where there's plenty to eat.

Directing the Lions' week at the club has been R. L. Crane jr., club secretary.

Group to take over hostess duties for the week of March 12 had not been designated by press time.

Navy Requests Twenty For March 28 Induction

The Navy has asked Daly City Draft Board No. 103 to supply twenty men for induction, Tuesday, March 28, according to Mrs. Isabelle Flynn, chief clerk. The Army has asked for nine men to induct, Friday, March 31.

Ninety-one registrants at the local board will take pre-induction physical examinations, Saturday, March 25.

Sergeant Otto A. Schramm, California Highway patrol, and newly appointed member of the local draft board, attended his first meeting with other board members and office personnel, Tuesday evening, February 29, at the city hall.

Tuesday evening of this week, the board gave consideration to all young men between 18 and 22 registered with it and now in 2-A or 2-B classifications. In all probability, the majority of them will be reclassified 1-A, Mrs. Flynn said, following recent national directives on selective service.

BAND CONCERT

As a climax to their P-38 drive, Jefferson Union high school has secured a return performance of the Western Defense band, according to the War Bond and Stamp committee. This outstanding military band will play in the high school auditorium, Friday night, March 24.

Sharing honors with the band on that evening, if tentative plans with the Army can be carried through, will be a P-38 pilot just returned from active service, who

News From Daly City Police Dept.

Thursday evening, March 2, Policemen Henry Sundermann jr. and August Benassini answered a call to break up a fight at Dino's tavern. They found that John Lompa, 85 Cavour street, had been severely cut on the head and left ear with a glass. The sailors said to be responsible for the assault had fled the place. The officers took Lompa to Alemany Emergency hospital where seven stitches were taken in his head and one in his left ear.

Sergeant Ricco Benedetti investigated an automobile and motorcycle accident involving Carl Anderson, 642 Bellevue avenue, and Gordon Dodson, 6053 Mission street, Friday, March 3, at 5:50 p. m. On the preceding day an accident on Los Olivos avenue, 100 feet west of Mission street, resulted in property damage. Cars

Colma Unincorporated Organizes Group To Solicit Red Cross Subscriptions

In order to meet its 1944 American Red Cross quota of $3,000 Colma unincorporated has organized a general committee of fifteen workers to solicit subscriptions throughout its entire territory. It may take the entire month to cover that territory but the committee stated that it is deeply in earnest and expects to work diligently and stout-heartedly.

Members of this committee are as follows: Mrs. M. Pauline Brown, chairman; Mrs. Alma Garibaldi, Mrs. Eda Guisti, Miss Eleanor Nessier, Miss Ester Otonello, and Miss Caroline Migliore; several Colma girls attending Jefferson Union high school, who have enlisted as workers, Alma Simonetti, Gloria Scramaglia, Mary Olcese, Barbara Callan, Rose Brandi, Mary Williams, Edith Erickenson, Marjorie Crawford, and Mae Lynn Cousor. In Garden Village, Miss Carolee Hobson is soliciting contributions and will probably be the first worker to completely cover her field. At the request of the San Mateo County A. R. C. War Fund committee, Mayor A. J. Gaggero of Daly City has kindly consented to collect from the Colma Hog Ranchers for Colma unincorporated.

The committee workers are hopeful of reaching their quota, but they realize in order to do so, everyone in this community must contribute to the best of his or her ability. They feel that a contribution to the American Red Cross War Fund, this year, should be considered a personal obligation to the boys at the front.

If anyone wishing to contribute is not contacted by the workers, a check made out to the American Red Cross may be mailed to Mrs. M. Pauline Brown, Box 1653, Colma 25. A membership card, pin and window sticker will immediately be forwarded to the contributor.

NEWS OF OUR MEN and WOMEN IN UNIFORM

Walter Donald Lehigh, son of Mr. and Mrs. W. J. Lehigh, 563 Crocker avenue, has returned to the University of New Mexico for his second semester under the Navy's V-12 program, after enjoying a few days leave in Daly City. He was in town simultaneously with Walter Cavagnaro, with whom he passed the qualifying tests, last year. Cavagnaro is at Marquette university in Wisconsin. The boys had a fine time comparing notes. Both are graduates of Jefferson Union high school.

The AUSAAF Medium Bomber station, England, reports that the Air Corps' highest award, the Distinguished Flying Cross, has been awarded to Lieutenant **Richard E. Millet,** San Francisco, California, ". . . for displaying steadfast devotion to duty and keen professional skill on the missions he has taken part in over enemy occupied Europe. Many of these missions were dispatched under the most hazardous conditions and against heavily defended enemy positions. His superior flying skill and tireless energy reflect great credit upon himself and the Armed Forces of the United States."

Lieutenant Millet resided in Daly City with his grandparents, Mr. and Mrs. C. N. Ludvigsen, who now live at 1354 Vallejo street, San Francisco. He attended and was graduated from Jefferson Union high school at Daly City. He entered the Army on March 18, 1942, and started his basic training at Minter field, Bakersfield, California, from there to his primary training at Cal-Aero, Ontario, California. He received his preflight training at Santa Ana, California and received his wings at La Junta, Colorado, where he finished his advanced training.

Lieutenant Millet arrived in the European theater of operations in June of 1943. He has taken part in thirty sorties over enemy targets and can account for some exciting experiences. On one mission, he had a piece of flak crash through the plexi-glass at his side, graze his head and pass through the other side of the ship. He said that this was his closest call. Lieutenant Millet is co-pilot on the B-26 Marauder, "Black Magic."

Lieutenant Millet has received the Air Medal with four Oak Leaf Clusters, besides the coveted Distinguished Flying Cross.

Private **John T. Nordquist,** who entered the B-24 Liberator bomber mechanics school at Keesler field, Biloxi, Mississippi, approximately 17 weeks ago, was graduated, March 4, from this unit of the Army Air Forces Training command.

Private Nordquist, son of Mr. and Mrs. J. Nordquist, 898 Bellevue avenue, Daly City, will go either to active line duty servicing the four-engine airplanes, to aerial gunnery school or to a factory school for specialized training in maintenance of big craft.

The several scores of men graduated after approximately 17 weeks in the school there were trained in B-24 fundamentals, structures, propellers, instruments, fuel systems, electrical and hydraulic systems, engine operation and aircraft inspection.

War Council Meet Set For March 16

Daly City's Civilian War Council will hold its regular meeting, Thursday evening, March 16, at the city hall, 75 Wellington avenue. The session will be called to order at 8 p. m. by Director A. J. Bodien.

All members are urged to be present as the first meeting of the month was called off due to the importance of another session being held on the same evening.

Approximately 4,000 Registered Voters To Elect Councilmen, Clerk, Treasurer

Prospective candidates for public office have only until Saturday noon, March 11, to file nomination papers for Daly City's general municipal election, Tuesday, April 11. With approximately 4,000 voters registered to cast ballots in the coming city contest, a fairly exciting campaign is foreseen, even with war-time restrictions on the time and effort of both candidates and supporters. Two councilmen, a city clerk and a city treasurer are to be selected.

Incumbent Councilmen Edmund Cavagnaro and John J. Fahey sr. will face opposition in seeking a return to office from Burton L. Meritt and Edward J. Dennis, both of whom filed, Monday, and possibly from Julius Castelan, who has taken out papers.

Fahey, who has been in the real estate and insurance business in Daly City, since 1920, has served in the capacity of city councilman for three terms, a total of twelve years. He resides at 338 Irvington street and has a wife, two sons, and a daughter. One son, John J. Fahey jr., former judge of the first township, is now on active duty with the U. S. Navy. Although he had not filed by Tuesday of this week he stated definitely that he would seek re-election. He is a member of the Daly City-Colma Lions club and has taken an active part in civic life for many years.

Cavagnaro, who also stated that he would ask voters to return him for another term, has served eight years on the city council. He is a life-long resident of Daly City and now lives at 428 Irvington street. He is married and has one son, now in the Navy, and a daughter. He is employed by the Army Transport service at Fort Mason.

Meritt, business man who has participated actively in civic affairs, has lived in Daly City for 20 years. He is a member of Company No. 1, D. C. F. D., and of the Veteran Firemen's association. He is past president of Colma Vista Grande Aerie No. 1848, F. O. E., a director of the Daly City-Colma Lions club, and he heads the Sea Scout organization in this area.

Meritt is 40 years of age. He resides at 58 Bepler street with his wife and two children.

Dennis, 156 Mateo avenue, is recording secretary of the San Mateo-San Francisco Counties Milk Wagon Drivers' Union, A. F. of L. He is a native of the community and has been in the milk business for the past 15 years. He has a wife and two children. In announcing his candidacy he declared he was an independent candidate and had long taken an interest in the welfare of Daly City.

Dennis is 35 years of age.

Castelan, who has taken out papers for a council post, but had not filed by Tuesday afternoon, is a civil engineer residing at 862 Bellevue avenue with his wife and daughter. In 1939 he was city engineer and purchasing agent for the City of Daly City. He is a member of the Eagles and is now affiliated with a wood products company engaged in war work. He was at Pearl Harbor, where he was working as an engineer for the government, at the time of the Japanese attack. He has made his home here for the past 5 years and is a property owner.

No opposition appeared likely for the city clerk and city treasurer posts. B. C. Ross, incumbent, said he would seek re-election as city clerk, a post he has held for many years. Mrs. Florence Stockton, present treasurer, has taken out papers and will probably file to succeed herself.

The Daly City Record, in maintaining its "open door" policy in an effort to acquaint its readers more completely with all candidates, will carry an account of any candidate's intention to run for office. In addition, starting with the March 16 issue, The Record invites each candidate to utilize 5 free inches of space to out-

Communities Discuss Emergency Hospital

Daly City was represented at the meeting of communities interested in forming a Northern San Mateo County Planning group by Mayor A. J. Gaggero, Councilmen Eugene V. Lynch, Howard McHugh, and Edmund Cavagnaro; Fire Chief Andrew P. Chesney, and Purchasing Agent Arthur J. Bodien, Thursday evening, March 2, in South San Francisco's city hall. Other towns represented were South San Francisco, Colma, Sharp Park, Edgemar, and Rockaway Beach.

All representatives at the meeting were most enthusiastic about the proposed emergency hospital and a delegation will be sent to appear before the San Mateo County Planning commission at Redwood City, March 17, to ask for immediate action on the project.

Another meeting of the north end cities will be held, tonight, March 9, at South San Francisco. Interested individuals are invited to attend, as well as city officials. The Daly City Fire department has gone on record endorsing the emergency hospital project.

Workroom Has Best Month In February

Mrs. J. G. Morris announces that the Daly City Red Cross workroom at Theatre hall produced 5,600 surgical dressings during February, more than meeting its quota. This represents the best month the workroom has had to date and Mrs. Morris expressed her appreciation to the volunteers.

Due to increased demands from Army and Navy the quotas have been stepped up and more volunteers are needed to keep up the fine record set in February. The center is open every Wednesday and Friday from 10 a. m. to 4 p. m. Local women who could devote the two days, or several hours even, each week are urged to participate.

No equipment is necessary, only a clean housedress and something to tie over the hair while working on the bandages, Mrs. Morris explained.

Local OPA Staff To Conduct Survey

Daly City residents are advised that Board No. 83-12-3, Office of Price Administration, which serves this area, will be closed Tuesday, March 14 from 12:30 to 4:30 p. m., and Thursday, March 16, 12:30 to 4:30 p. m. Miss Genevieve Blue, chief clerk, explained that the purpose of the closing was to enable the staff at board headquarters to conduct a field survey of retail stores. The board is located at 470 Grand avenue, South San Francisco.

The board also revealed that greater authority enabling the local OPA board "to deal directly with price violators" within its jurisdiction has been granted by district officials, according to District Director Francis Carroll.

"Effective immediately," Carroll said, "The Price Control committees of our boards will be able to take a definite, active part in the government's efforts to smash black-market operations and price chiseling.

"The committees now have the authority to hold hearings and act on all complaints filed by consumers or unearthed by OPA agents.

"Upon determination of fact, it will have the power to move in various ways against the violator. It may, at its discretion, recommend that the violator be permitted to make voluntary pay-

"Government Girl" Now At Daly City

A delightful romance laid against the exciting background of wartime Washington is "Government Girl," RKO Radio's new starring vehicle for Olivia de Havilland and Sonny Tufts, which comes to the screen of the Daly City theatre tonight.

Taken from the Adela Rogers St. John serial, the picture deals hilariously and romantically with two figures on the Washington scene, an experienced secretary who knows all the answers, and a two-fisted dollar-a-year man who disregards her warnings when he sets out to shove through a production plan regardless of anything.

The natural result is that he gets into plenty of hot water, and although he succeeds in getting his planes he also makes a flock of enemies among the politicians and the business men whose toes he steps on. The ensuing Senate investigation of his activities, his hectic romance with his secretary, a spy plot and the troubles of the secretary's roommate and her soldier-groom in search of a honeymoon, all complicate the whirlwind finish of this gay entertainment.

The sparkling Olivia turns in a charming performance as the alert secretary, a role she is eminently qualified to handle. The husky Tufts, with but one previous picture under his belt, is a real surprise as the bomber-builder, and he handled his part with an assurance that stamps him as one of the real acting finds of the year. Anne Shirley adds plenty of fun as Olivia's ever-hungry roommate. James Dunn returns to the screen to play her soldier-husband, while Jess Barker, Paul Stewart, Agnes Moorehead, Harry Davenport, Una O'Connor and Sig Ruman present outstanding portrayals in supporting roles.

Both in directing and in writing the screen play Dudley Nichols has done a brilliant job.

A "WOLF" MISTAKEN FOR THE COUNT

George Givot plays a Count in RKO Radio's "Government Girl," with such finesse that he is able to fool even such suspicious government girls as Olivia de Havilland and Anne Shirley, seen here gulping it in. Others in the featured cast include the sensational new male star, Sonny Tufts, and Jess Barker, with James Dunn. The film is now playing at the Daly City theatre.

Announce Classes For Expectant Mothers

Opportunity for expectant mothers desiring to learn both pre-natal and post-partum care of themselves and infants is again presented by the American Red Cross Visiting Nursing service. The first of a series of four mother-craft classes was held, yesterday, March 8, at the Julia Beylard hall, Baldwin avenue, San Mateo, at 10 a. m.

These classes, instructed by a registered nurse, are part of a program carried on jointly by the San Mateo junior college adult center and the Red Cross Visiting Nursing service. Remaining sessions are to be held March 15, 22, and 29, at the same hour. A small registration fee is charged.

Included in the series of lectures will be demonstrations of bathing, feeding, making formula for a baby, and many other aspects of how to start him on an expert health program.

Mrs. John Berkhout Returns To Daly City

Mrs. John Berkhout, the former Mrs. Beula Jorgensen, returned from Portland, Oregon, this week, to her home at 26 Vendome avenue.

Mrs. Jorgensen and John Berkhout were married, last month, at a pretty home ceremony. Judge William J. Sweeney performed the ceremony, which took place before an improvised altar made of white crysanthemums.

The wedding party consisted of Mr. and Mrs. John Perada jr., Mr. and Mrs. James Crudo, James Crudo jr as ringbearer, and Barbara Schramm as flower girl.

Following the double ring ceremony luncheon was served to thirty guests at Shorty Roberts.

Mrs. Berkhout has been a resident of Daly City all her life. Berkhout is an officer in the Holland Merchant Marine.

Burlingame Gets PAL Relay Meet

Burlingame was awarded the P. A. L. relays meet, at a meeting of the Coaches' association in Palo Alto, March 1. All Peninsula schools, including Daly City's Jefferson Union high, are slated to open their track seasons on the Burlingame track, Friday afternoon, March 17.

The March 17 event will consist of eleven running events, providing relays for all divisions.

At the same meeting, March 1, the coaches made baseball schedules with the league divided into northern and southern divisions. The northern half will find Burlingame, San Mateo, South San Francisco, and Jefferson meeting in a home and home schedule.

YOU AND THE RED CROSS

There are two theories about the individual's responsibility toward others. One holds that it's "each man for himself and the devil take the hindmost," while the other believes that each of us is "his brother's keeper," that no man can stand alone and that through cooperation and mercy all profit in the long run.

The American Red Cross is tangible evidence of a widespread faith in the latter theory. Now, during March, it is asking for a declaration from each of us. Daly City, like other communities throughout the land, is asked to double its contribution this year. We've a quota of $8,000, which means, frankly, that response will have to be generous, not the smallest possible donation that will "save face."

When a Red Cross volunteer calls at your home, be ready with a welcome word and the very best donation you can muster for the work of this humanitarian organization. You cannot take life-giving plasma to the wounded soldier on some far beachhead; you cannot solve the personal problems of a lonely lad in the Aleutians; you cannot send aid to a prisoner of war; you, personally, cannot hand food to the starving—but the Red Cross can do these things—if you help.

The success of this War Fund drive is the responsibility of each of us in Daly City. Do have the satisfaction of knowing that you were not niggardly in the face of great need!

"ONE NATION, INDIVISIBLE . . ."

Americans are a daring people—politically as well as in other ways.

We are the only nation to hold a national election right in the midst of a crucial war. We succeeded in doing it in 1864. We shall succeed again in 1944.

But to do this is not an easy task even for a people as flexible as we. We know that as enthusiasm and excitement start to rise in a presidential campaign, our tempers tend to rise too. This does not mean that we should be apathetic or hesitant to speak our minds. But we should avoid abusiveness and bitterness.

So vital is the coming election to our post-war future and to the happiness of the nation, that we should keep in mind the principles even more than the personalities involved in the campaign. We shall need to be guided by clear thinking—not by muddled emotion.

We must encourage straightforward, candid criticism; we must discourage the hatred that creates national disunity. As one leader realistically warned recently, "We are living in a world where class is set against class and race against race. I know of no natural law which will prevent these conflicts from becoming rooted and deep rooted in our own soil unless we forge today, now and in our daily lives, the unity which must be reforged each generation if a nation is to survive and to be great."

The presidential campaign may divide us politically, but here is a great opportunity to prove that underneath it all we stand as "One Nation, indivisible, with liberty and justice for all."

BARUCH REPORT

Bernard Baruch has made another significant contribution to the nation in his report on national war and post-war adjustment policies. His approach to the problems that now face and will face the nation is clear and sensible. He points out that it is as necessary in time of war to prepare for peace as it is to make war preparations in peace times.

Highlighting Baruch's report is his recommendation that the government get out of business and stay out as soon as the war is over.

Among other points he also urges an immediate start in disposing of supplies from the vast reserve store that can be spared now without harming the war effort; the preparation of a post-war tax program now so that businessmen can plan accordingly; the speedy termination of war contracts and quick payment to contractors to prevent delay in the return to peace production.

When the war is over—and even before—Uncle Sam will begin selling one of the greatest accumulations of goods in history. Baruch recommends that these goods be sold through the "regular channels of trade" so far as practicable and no sales be made to speculators or promoters.

This recommendation should be followed. Our established retail outlets are well equipped to handle these supplies. Furthermore, the indiscriminate "dumping" of surpluses on the market through "army and navy stores" would serve to disrupt the normal trade channels and adversely affect our industrial post-war recovery.

Baruch believes that we need not experience depression after the war but that we can enjoy "an adventure in prosperity," if we streamline our reconversion processes so as to make the changeover to peace production in the shortest time possible. He has given us a sound plan for doing this very thing.

Extend San Francisco Run Of Folies

Extension of the spectacular San Francisco run of Clifford C. Fischer's colorful and hilarious Folies Bergere of 1944 until March 26 has been announced by the show's producers.

Nightly performances and Sunday matinees will be held at Winterland up to and including the day of closing, it was stated.

The Folies Bergere company which has been delighting Northern California audiences for fourteen weeks, includes some of the world's best known theatrical families.

Largest of these is the Christianis—famous Italian bareback riding and acrobatic family who represent the fourth generation of Christianis in show business.

Monroe and Grant, trampoline stars, are father and son. Thomas Grant, the father, first played a trampoline act with his brother. Then his oldest son grew into the act and traveled with his father until two years ago when he went into the army. Donald Grant, 17, is now appearing with his father.

The Shyrettos, daring unicycle riders, are members of an old Austrian circus family, and have toured Europe and America with their spectacular act.

The Spaulding Trio, featured in the opening act "When Paris Meets Again" include two twin sisters—Alice and Louise—and their brother, Kenneth. Rollo and Verna Pickert, who delight audiences as they jitterbug on stilts, are Mr. and Mrs.

Robert Casadesus To Play, March 13

Robert Casadesus, famous French pianist who comes to the Opera House Monday evening, March 13, under the local management of the Opera association, has been referred to "as complete a musician as he is a pianist." He is likewise a distinguished composer and a member of a French family that is noted in the music world of France.

Today, Casadesus is a name of renown in the country of his adoption. He made his debut here in 1935 and besides his own concert tour throughout the country, he has appeared as a guest soloist with all of the leading symphony orchestras. He has the rare record of having served as soloist with the New York Philharmonic orchestra seven consecutive seasons.

As a composer, he is best known perhaps for his Double Concerto for two pianos and orchestra which, with himself and his wife Gaby as soloists, he recently performed with both the Cincinnati Symphony and the Rochester Philharmonic orchestras.

At present, Casadesus lives in an old Revolutionary stone house in Princeton, New Jersey. In colonial days it was a tavern. It is filled with antiques of early American days. Here, with his wife and three children, all of whom are musical, they lead an ideal family life in which music is the common interest.

Tickets for the concert are now on sale at the Opera Box office, Normandy lane, City of Paris, EXbrook 8585.

READING & WRITING

BY Edwin Seaver AND Robin McKown

SOMETIME before the publication of "Now I Lay Me Down to Sleep," by Ludwig Bemelmans, we asked the author what his novel was about. "Well," he said, "it's not written exactly to formula. The hero is an eighty-year-old South American general subject to epileptic fits, and the heroine is an English woman of sixty-five who carries her coffin with her wherever she goes."

LUDWIG BEMELMANS

To say that "Now I Lay Me Down to Sleep" is not written to formula is putting it mildly. This latest Book-of-the-Month Club offering differs from the typical girl-meets-boy type of fiction as a black orchid from a dandelion. Those who read it for simple entertainment will find it often hilarious. And those who read it for its underlying satire and philosophic content will find much to ponder.

The story tells of General Leonidas Erosa, whose fortune comes from vast properties in South America that he has never bothered to look over, and who up until the time of the war lives in opulent luxury in Biarritz. He is finally made aware of the changing world when he discovers it is no longer possible for him to procure his favorite kind of paté de fois gras, which has always been sent him airmail from Czechoslovakia. When the General is told he must be satisfied with the inferior grade from Strasbourg, he realizes it is time for him to go.

So, with his most prized possessions, which include sixteen carpets, over a thousand cigars, and thirty-two cases of champagne, the General sets sail for New York. Among his vast entourage of servants and companions is Anselmo, the Indian, who cares for his three Great Danes, and who has a secret dream, never to be realized, of murdering his master. Then there is Miss Graves, the Englishwoman, whom the General has saved from drowning but who is still so obsessed with the subject of death that she will go nowhere without her coffin. And there is Monsieur Vitasse, the French chef, whose temper is unpredictable, but whose *souffle d'écrevisses* is invariably superb. And there is also Madame Lopez, the Spanish beauty.

Enough of Mr. Bemelmans' story. After all, you may want to read it yourself, and what's the fun if you know everything beforehand?

Sea Scouts Honor "Hard Workers"

Boys who had worked the hardest to raise funds for Sea Scout Ship No. 144 during the past month were honored at the Friday evening, March 3, meeting of the ship at 6266 Mission street. The group reports a total of $65 was achieved.

R. E. Bennett, committeeman for the Daly City-Colma Lions club, sponsoring organization, is instituting a class in seamanship for the boys. It will meet every other Friday, and other classes pertaining to shipboard life will be inaugurated as speedily as instructors are secured.

Skipper of the ship is Bert Meritt, hard-working youth leader who has been personally responsible for the very successful activities program during the past few months, according to the committee.

The ship is open for the recruitment of boys over 15. After securing the proper recommendation from their parents, interested boys should contact Meritt any Friday evening at the ship headquarters, 6266 Mission street. Fathers who are interested in seeing their sons participate in such a program are also invited to visit the regular Friday evening ship meetings at 6266 Mission street. Sessions begin at 7:30 p. m.

News From Daly City Police Dept.

(Continued from Page 1)

involved were driven by Richard E. Tate, 64 Los Olivos avenue, and Jane Hope Warshawski, San Francisco. Officer George Hopman investigated

Friday night, March 3, at 9:10 p. m. a Market Street railway bus caused property damage to houses at 3229 and 3235 San Jose avenue, as well as splintering several poles, when it ran away. No persons were injured. Sergeant Benedetti and Officer Benassini responded.

Saturday, March 4, Officers Roland Petrocchi and Roy Beecher investigated a truck belonging to Blum's Advertising company which had been parked in front of the Daly City library for two days. They found it had been listed as stolen with the San Francisco Police department and they had it towed to the Daly City garage, from where it was later released to its rightful owner.

Saturday, March 4, at 8:40 p. m. Sergeant Benedetti, Officers Sundermann and George Savage broke up a fight among a group of sailors at the Central club.

Officers Hopman and Benassini took Charles Tabor, 196A Santa Barbara avenue, who fell from his horse at Eighty-seventh avenue and Edgeworth street, Sunday afternoon, March 5, to Alemany Emergency hospital.

Monday, March 6, Sergeant Benedetti picked up Walter Polk, 479 Bellevue avenue, on a bench warrant from Sacramento. Chief James G. Reardon stated it was a bad-check charge.

Three New Boys Join Cub Pack No. 141, Friday

At the Friday evening, March 3, meeting of Cub Pack No. 141, three new boys joined. They were Thomas Murray, George Johnson, and Charles Johnson. During the meeting, Lewis Goodson was advanced to Wolf Cub rank. In spite of the rain, more than thirty boys attended, according to Cubmaster Joseph Straughan.

Robert Sayko and Erick Durkins, scouts of Troop No. 141, went on an overnight hike, last weekend, in passing their first class tests. They hiked to Sharp Park and on Sunday attended church there.

In their spare time they worked on the Scout cabin. (Incidentally, the boys would like a wood stove to cook on at their cabin and have been unable to secure one. They promise to give any cook stove which might be donated a good home and loving care in its old age and such. Anyone interested in giving the boys a stove may call ELkridge 3335.)

ment to the U. S. Treasury of an amount equal to the total overcharges involved. It also will have the right to negotiate refunds by the violator to those he overcharged.

"Further, it will have the power to recommend that a license suspension warning be issued to the violator and, in flagrant or 'repeat' cases, that legal action be taken to suspend or revoke his right to deal in the commodity involved. Finally, they will have the power to recommend criminal prosecution."

District Director Carroll said the new powers will result in a "heavier work load" for the volunteer members of the local boards.

"But," he pointed out, "it also means that we, in our own community, have been given at least some of the tools we need to conduct our own enforcement program."

District Director Carroll said that the local boards' most urgent need now is the "sincere and active support of consumers."

"We have long passed that stage in the progress of the war," he said, "where black-market operations and price-chiseling should continue to be tolerated as something humorous or inoffensively smart. The home-front soldier has a duty—that of reporting to the government all violations detrimental to the battle against inflation.

"Henceforth, when our Price Control committee receives such complaints it will be able to act —with force."

Filing For May 16 Primary Election Closed

Tuesday, March 7, 5 p. m. was deadline for filing nomination papers for the May 16 consolidated primary election at which San Mateo county political offices will be filled. In the third township the post of supervisor, now held by John W. Poole, is sought by Dr. A. E. O'Neill, George A. Alzis, and E. A. Fletcher. The judgeship of the superior court, Department No. 1, is being contested by Judge Maxwell McNutt, incumbent, and District Attorney Gilbert D. Ferrell.

Arthur L. Johnson, who will run against Representative John A. Anderson in the Eighth district, which includes San Mateo county, filed his nomination papers and paid his fee at Los Angeles since he had not yet acquired voting status in the district he seeks to represent in Congress. A candidate for Congress is not required by law to live in the district he seeks to represent.

DINNER PARTY

Members of Daly City Post and Auxiliary No. 410, American Legion, will hold a birthday dinner, Saturday evening, March 11, at Legion hall, 474 San Diego avenue. Serving will begin at 7 p. m. and an evening of sociability will follow.

For the auxiliary, Mrs. Leslie Hanson is chairman and for the post, J. Albonsky, on arrangements for the dinner.

The dinner is an annual affair, given jointly by the post and auxiliary, for members only.

Traffic Commission Releases Analysis

The San Mateo County Traffic Safety commission has made a general analysis of the automobile death record in San Mateo county for the year 1943. Total was 62 deaths in 52 traffic accidents as compared to 60 deaths in 56 accidents in 1942. Seven of the accidents caused two deaths each, while one caused four deaths.

On Bayshore highway there were twelve fatalities in twelve accidents; on El Camino real, thirteen fatalities in twelve accidents; within incorporated cities, excluding Bayshore highway and El Camino real there were eleven fatalities in ten accidents, and within the unincorporated areas, excluding Bayshore and El Camino, there were 26 fatalities in eighteen accidents.

Thirty-four of the 52 fatal accidents occurred during the hours of darkness or dusk. December had fifteen fatalities as compared to January, two; February, five; March, one; April, four; May, six; June, six; July, three; August, seven; September, seven; October, four; November, two.

TWO ALARMS

The Daly City Fire department responded to two alarms on Sunday, March 5.

At 11:33 a. m. an alarm came in from Box 615 at Junipero Serra boulevard and School street, where a motorcycle belonging to Gerald Butler, 775 Cole street, San Francisco, was on fire. Companies 1, 2, and 6 brought the situation under immediate control.

At 1:05 p. m., Companies 1, 2, and 4 responded to an alarm given when a faulty valve on a gas heater at 3298 San Jose avenue nearly caused a serious blaze.

Veteran Firemen Hold Regular Meet

President E. J. Romer called the regular monthly meeting of the Daly City Veteran Firemen's association to order at 8 p. m., Friday, March 3, in their hall at 188 Santa Barbara avenue.

Brief talks were made by J. Albonsky, Second Vice-President Al Sundstrom, and Fire Chief Andrew P. Chesney. Marshal George Ford and Vice-President Edward Goldkuhl jr. were at their posts. Secretary Gus Ford called the roll and among those noted present were Past President Andrew Vireno, Treasurer Lawrence Shaw, A. Romer, and Comrade Mather.

The association wished a speedy recovery for convalescent members.

Next meeting of the group will be held Friday evening, April 7, at 188 Santa Barbara avenue.

After the March 3 meeting, a miniature buffet was enjoyed by those present.

SEAL SALE RETURNS

Judge Maxwell McNutt, chairman for the Christmas Seal sale of the San Mateo County Tuberculosis and Health association, reports that the 1943 drive exceeded its quota over 30 per cent of any previous year. He expressed his appreciation to the press and to the residents who responded so generously to the campaign.

One of the major projects of the association, last year, was the tuberculosis program in war industries.

At the very successful Old Timers' Night the following became members of the aerie: Anthony Ferrante, Marian D. Brauer, Ricco Lagomarsino, William A. Thompson, Cyrus C. Cope, Emelio Bozzolo, William Decarsky, Silvio Bertazzi, William Webb, Emanuel J. Stupfel, Francis E. Duffy, Emil Miller, and Morris Lebedeff.

Now, get the New Bigger Wages at S. P.

You've heard of the new railroad wage increase, perhaps. Well, it's substantial, to say the least. Makes S. P. jobs more attractive than ever. It's a good reason, you'll find, for taking a look at our jobs . . . for finding one for yourself. Doesn't matter whether you're a truck-driver, white-collar worker, mechanic or boiler-maker . . . we think we have a job you'll like. (All that does matter is whether you want a really good job with a good company). Many advantages: job with a permanent company, working with friendly people, with the big S. P. family; working to keep the troops, guns, tanks moving. Railroad pass privileges. Fine pension plan. Medical services. And again, those new, higher wages. Worth considering, and worth looking into. Come in and talk with us, won't you?

Miss Smedley Bride Of David F. Collier

Miss Mary Leota Smedley, pretty and talented daughter of Mr. and Mrs. M. W. Smedley, 328 Santa Barbara avenue, became the bride of David Frank Collier at a home wedding ceremony, Tuesday evening, February 29. She was given in marriage by her father and the vows were exchanged with Dr. Arthur Willis, Grace Presbyterian church, officiating.

The bride wore white satin and lace and gardenias were used effectively to accentuate the styling of her hair. She carried an old-fashioned bouquet of white bouvardia and camellias. She was attended by Miss Martha Tracy as bridesmaid. Miss Tracy wore pink organza and carried a bouquet of pink camellias. Flower girls were Miss Smedley's sister, Joan, and Angela Lufrano, who wore blue and pink respectively and carried old-fashioned bouquets.

Everett Cook was best man.

A reception followed the 8 o'clock ceremony and a buffet supper was served more than fifty guests.

The couple left for a brief honeymoon and will plan on making their permanent home in North Carolina following the war.

The bride is a graduate of Girls' high school, San Francisco, where she was valedictorian of her class in '42. She is now employed in the accounting department of Linde Products.

Collier, a warrant officer with the United States Navy, is the son of Mr. and Mrs. W. E. Collier, Louisburg, North Carolina. He has seen action with the Navy at Attu, Makin island, and the invasion of Tarawa. He was aboard the Lexington when it was sunk and is the possessor of a citation for bravery at that time.

QUALIFYING TEST

Daly City young men interested in taking the third Army-Navy College Qualifying test for the Army Specialized Training program and the Navy College program V-12 were advised by Martinus Van Waynen, of the Jefferson Union high school faculty, to report with the proper credentials to Balboa high school, San Francisco, for the examination, Wednesday, March 15, at 9 a. m. sharp. The test will not be given at the local high school due to the small number signifying intention to take the exam.

A leaflet of general information which contains an admission-identification form may be obtained at Office 105B at Balboa. This form, properly filled out, will admit to the test students between the ages of 17 and 21 inclusive who are high school graduates or will be graduated by July 1, 1944. Intent to take the test should be made known at once to Richard Gibson, of the Balboa faculty.

Van Waynen will be glad to answer any questions prospective applicants may have. He can be contacted at Jefferson Union high school. However, local youths may get lined up for the test by going directly to Balboa high school.

Firemen Set Date For Annual Ball

Fire Chief Andrew P. Chesney announces that the General department of the D. C. F. D. has selected the date for the annual ball given for the benefit of the Widows' and Orphans' association. It will be held, Saturday, May 6, at Colombo hall and music will be furnished by Johnny Dell's orchestra. The decision was made at the Monday night, March 6, meeting of the General department.

The firemen decided that at the same time they canvass the city with tickets for the annual ball they will conduct a drive to secure donors for the San Mateo County Blood bank. They have 2,000 pledge cards from the bank and hope to find enough patriotic residents to use them all up.

The General group voted a $5 donation to the War Fund drive of the American Red Cross at Monday night's meeting. Individual companies will probably likewise contribute. The firemen voted to endorse the building of an emergency hospital in the north end of San Mateo county.

will talk to the Jeff audience of some of his experiences in the famous pursuit plane.

Claude Hackley, faculty member, is making arrangements with the Samuel Gompers Trade school to procure airplane parts and various other aeronautical equipment to be displayed on the night of the program.

In order to purchase a P-38 for the armed forces, Jefferson high has to raise $75,000 in bond and stamp sales.

Admission to the March 24 concert will be by purchase of War Bonds and Stamps.

Magic Beauty

THE CINDERELLA of a school girl's wardrobe may be a dull pinafore, magically beautified with colorful design. Bright red apples accent the green jumper and matching Dutch cap worn by CBS starlet Patsy ("Mary Marlin") O'Shea. They're Ruzak's Redy-Cut appliques, sold in most department stores, which even a sewing novice can whip on. The cost is so small that Patsy paid for her selection with the money she collected in her patriotic stint of returning the family bottles to the neighborhood grocer.

Mrs. America Faces The War--

Here's a break for war babies! The War Production Board has decreed they're not to do without their rattles and teething rings. Restrictions have been removed on the manufacture of such items from nitro-cellulose plastics. So this year's war babies will teeth on plastics instead of rubber.

More meat this month for Mrs. America's family to sink their teeth into, but more than half of it is pork. The outlook's good for bacon and eggs—what with most popular bacon cuts at one ration point per pound and egg prices continuing at low levels. Butter point value remains unchanged—still 16 points per pound—but lard has been removed from the ration list for the month of March. The current point chart lists lard at three points per pound, but all dealers have been asked to make the correction.

If you haven't used Shoe Stamp No. 18 in Ration Book One, you have until April 30 before it expires. As soon as Stamp 18 expires, the OPA will validate another shoe stamp, May 1, to be good indefinitely. Meantime, airplane stamp No. 1 in Ration Book Three, which is good now, will continue to be valid indefinitely, running concurrently with the new stamp to be validated May 1. This will make the fourth shoe stamp since rationing started a year ago in February.

The plan of making a ration stamp good indefinitely without setting an expiration date has been applied to sugar rationing as well as shoes. Sugar stamp No. 30 in Ration Book Four, which was scheduled to expire March 31, will continue good for an indefinite period. The same is true of the next sugar stamp—No. 31 in Book Four—which becomes valid, April 1, for five pounds of sugar. OPA hopes the removal of expiration dates will postpone buying of sugar except when it is actually needed. This in turn is one of the factors which will determine whether the consumer sugar ration of approximately half pound of sugar every week will be changed.

Organized Labor Will Participate

Organized labor will participate, along with schools, fraternal and civic organizations, in reaching every motorist with the warning that every gas coupon must be endorsed immediately as a means of stamping out illicit and counterfeit traffic in mileage currency.

This was the assurance given Office of Price Administration officers, last week, by the OPA District Labor Advisory committee in San Francisco through Joseph Casey, secretary. The committee is represented by A. F. of L. railway brotherhood, and C. I. O. membership.

"Labor at large, and particularly the vast army of workers in essential war work, has a vital stake in the successful stamping out of illicit and counterfeit use of coupons," Casey said.

"Thousands upon thousands of war workers are faced with the necessity of using their personal cars to transport themselves and their fellow workers to plants that cannot be served by public transportation systems," the committee secretary sta ed.

"These men and women expect and ask no return for the enforced use of their own cars in the transportation field. They accept in good faith the rigid limitations placed upon their actual mileage to and from work by their rationing boards. They forego unnecessary and wasteful driving. There are few, if any, violators of the principle and plan of gas rationing in the ranks of labor, and labor is 100 per cent behind the drive to cut off the underworld flow of gasoline by urging the immediate endorsement of all outstanding coupons by motorists."

Beginning Monday, March 6, enforcement' investigators started checking gas ration books at oil stations for driver failures to have all coupons endorsed in advance. Motorists found with unendorsed coupons are being referred to their respective rationing boards where they face revocation of their allotments.

Control Tower Wacs Keep 'Em Flying

RPB MA-110

Guiding the flights of the giant bombers and fast fighter planes from an air field control tower is just one of the 239 jobs now open to members of the Women's Army Corps. Prospective Wacs can now pick their jobs from the Army Air Forces, Army Ground Forces or Army Service Forces and name the camp or air field where they want to be stationed when they enlist.

Machine Age

This WAC technician operates a mimeograph machine at a station of the Armored Command. Women now enlisting in the Women's Army Corps may have the choice of 239 Army assignments and may also choose the station, within certain geographic limits, at which they wish to serve after completing their basic training.

Continue Robbery Case To March 10

At Friday afternoon's court session in the city hall, presided over by Judge William J. Sweeney, the case of Claude Luttrall, accused of robbing Wit's End of more than $700, February 18, was continued until Friday, March 10, at 2:30 p. m.

Luttrall, now at liberty on bail, pled not guilty and was represented, Friday, by counsel, Attorney Alfred Miller.

Both Bob Witt, proprietor of the tavern, and Tiny Britton, a witness to the holdup, were present, Friday, March 3, to give their versions of the episode.

Fines meted out, Friday, by Judge Sweeney included $2.50 for Angelo Gandolfo, 735 Chester street, San Francisco, who was charged with driving without operator's license or lights; $50 for Chester Kruse, 3740 Twenty-fifth street, San Francisco, for reckless driving; $10 forfeited for non-appearance for Chester Hirshfeld, companion in the Kruse car, charged with being drunk; $50 for Nick Tahur, 308 Hillside boulevard, reckless driving.

Do you want to know how to save the life of your appliances?

KEEP THIS BOOK HANDY

In this 32-page booklet are many "trouble shooting" suggestions and many, many homey hints on how to keep your appliances working at peak performance, through care to avoid repair.

Your appliances will have to work as never before in '44. You will be doing more laundry at home. Gasoline rationing means you will have to buy food in larger quantities when you shop. You will be doing more cooking and all of your housework. Last year this company brought out the first edition of the booklet, "The Lady of the House and Her Mechanical Servants." We distributed many thousands of copies. But apparently this amount was not enough. Now we have printed a second edition. If you have not received a copy of this booklet or cannot find the one you got last year, come into any company office today and get your FREE copy.

BROWN POINTS FOR WASTE FATS

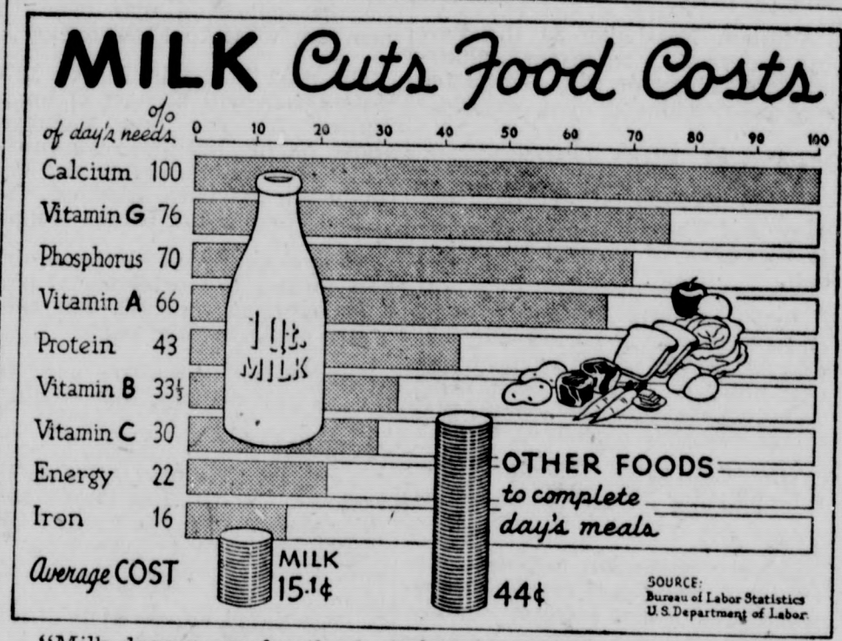
For every pound of fat a housewife turns in to her meat dealer or other fat salvager, she receives two meat points. "But most important," Herbert M. Faust, director of WPB's Salvage division said, "within a month the fat will be transformed into war materials and on the way to the fighting fronts." He reminded housewives to save the grease from turkeys, geese, ducks, and chickens, for the manufacture of war products.

CANNING SUGAR NOW AVAILABLE

Housewives may now get 5 pounds of canning sugar by using Stamp No. 40 in War Ration Book Four, OPA has announced, and additional canning sugar later will be available on application to local boards. Stamp No. 40 will be good 13 months, through February 28, 1945.

Our fighting men are doing their share. Here at home the least we can do is put 10% of our income in War Bonds for our share in America.

MILK Cuts Food Costs



"Milk does more for the body than any other food and does it more cheaply." That statement by the Bureau of Home Economics of the U. S. Department of Agriculture is forcefully illustrated in this National Dairy Council chart showing the high percentage of each of the daily food elements which are provided by a quart of milk and the other foods necessary to complete daily dietary requirements.

The average cost of a quart of milk delivered to the home in the United States is 15.1 cents. The average cost of other foods needed to complete an economical diet and provide the balance of the nutrients needed daily is about 44 cents. Rising food costs together with the necessity of maintaining the best possible wartime diets are now giving added emphasis to the economy of milk.

The foods making up the meals used as a basis for this chart are as follows: Breakfast: fruit, whole-grain cereal with milk and sugar, whole-wheat toast with butter, milk, and coffee with cream and sugar. Lunch: macaroni with tomato sauce, whole-wheat bread with butter, fresh apple, oatmeal cookies and milk. Dinner: meat stew with vegetables, cole slaw, whole-wheat bread with butter and jam, coffee with cream and sugar, junket and milk.

Woodrow Unit Changes Meeting

Woodrow Wilson P. T. A. changed the date of its executive board luncheon meeting from Tuesday, March 14, to Tuesday, March 7, and the place to 60 Miriam street. This was done because of the special meeting to be held in San Francisco, March 14, in honor of the national P. T. A. president, Mrs. Minetta Hastings. Seventeenth, Eighteenth and Second districts, C. C. P. T., will be co-hostesses for the event to be held at Girls' high school, at 1 p. m. on that date.

Anyone from Daly City wishing to attend should contact Mrs. Stella Jensen, Seventeenth district president, Colma.

Woodrow's regular unit meeting will be held, Tuesday, March 21, at the school, beginning at 2 p. m. The nominating committee, which includes Mrs. Lillian Thomey, chairman; Mrs. Mildred Ventura, Mrs. Ethel Saame, Mrs. Hazel Marsh, and Mrs. Betty Eschenauer, will make its report. Theme for the meeting is "We Pledge Alertness and Safety."

C. C. P. T. To Aid Public Schools Wk.

The powerful aid of the California Congress of Parents and Teachers in the twenty-fifth annual observance of Public Schools Week, beginning Monday, April 24, was pledged at San Francisco today by Mrs. Edward T. Hale, State president of the organization.

Declaring that the public schools have "met the challenge" placed on them by war conditions, Mrs. Hale's statement said:

"Since Pearl Harbor the routine of training and teaching in our public schools has developed so rapidly that the general public is unaware of the new program.

"Without lessening the essential service of the schools new classes have been added where needed, health and physical efficiency have been promoted; goods and services needed for the war have been produced; industry has been supplied with trained workers, and even the 24-hour care of children has been established in some areas as an aid in the war effort.

"With lessened personnel and administrative staff, schools have nevertheless met the challenge imposed by a great influx of newcomers with children emotionally disturbed by the impact of war, and have added the duty of sustaining morale of adults as well as children to their full daily schedule.

"Parent-teacher members, with well established cordial relations in the community, should accept this opportunity to bring newcomers to the school, invite them to return and participate in discussion relative to their children's best interests."

Other organizations of statewide importance are likewise expected to join in the observance.

Pershing P. T. A. Will Give Whist Party

The public is invited to attend a whist party to be given at Pershing school, Hanover street, between Acton and Oliver streets, Tuesday evening, March 14 at 8 o'clock, by the executive board of General Pershing P. T. A. Mrs. Louise Eliasen is chairman.

A pleasant evening is promised by the hard-working committee.

At the regular meeting of the unit, held Tuesday of this week, officers for the new term were elected. The complete list will be published, next week.

News From District Grammar Schools

AT JEFFERSON

Last week the children of Jefferson school were given their periodical weight and height measurements by the school nurse who reported that the general health of the children was excellent.

Eighth grade is the proud recipient of a Navy calendar sent to the class by Joseph Corsiglia, a former graduate of Jefferson. Joseph has been stationed at Pearl Harbor for the past two years. The calendar contains pictures of Admiral Nimitz, Admiral Halsey, the dry dock and various methods of transportation at Pearl Harbor navy yard.

The seventh grade had an unusually interesting period this week when the subject of Army dogs was discussed at considerable length. A personal touch was given to the discussion by the reading of an article in "The Messenger," called "Army Dogs" by Miss Hilda Isles. Miss Isles who is blind, visited the school a year ago, accompanied by her remarkable dog, and the children remembered her very well.

Early in the week the sixth grade children gave a nice series of descriptive talks about the Nile region. Their remarks were accompanied by slides and stereographs.

Rainy days bring happy compensation to children in the fifth grade for they have a hobby program which can only be followed in spare time at school, such as recesses, noon hours and occasional free periods. Their hobbies are many and diverse and include making scrap books, model airplanes, mounting pictures and making puppet heads. A hobby show is to be held near the end of the term.

The other day the fourth grade dramatized the story of Snow White and Rose Red in their reader and presented it for the entertainment of the third grade. Joseph Ross was reader, and the class made stick puppets to represent the characters in the story.

Among the latest enrollments in the school are the three Freese children, Paul, Helen and Gene, from Santa Cruz.

AT WOODROW

It is a pleasure for the president of Woodrow Wilson student body to report that the per cent for the sales of stamps and bonds for the month of February was 93 which means the school may fly its Minute Man flag.

Room 5's average was 100 per cent.

As an outgrowth of class discussion in Room 4 on "How Rocks are Made" interesting rock specimens showing strata formations were brought to class for display purposes. Those pupils bringing the specimens were Diana Morgan, Myrna Ihrie, Karen Melbourne, and Gwendolyn Harris.

For the last few weeks the high sixth, low seventh, and high seventh grades have been studying the geographical aspects of the world. They have studied the zones, hemispheres, continents, and oceans. Now they will take up the study of ancient civilization which will entail the study of the old world, including Europe, Africa, and Asia.

Room 9 pupils are learning and studying the daily life of the early Cave Man. Friday they had topics on the types of shelter the cave man provided for himself.

The high fifth and low sixth grades have been studying and preparing reports for their unit, "Problems of the Machine Age."

The class has been divided into three groups and each group has elected its own captain. The captains check to see that each child is ready with his report and conduct the recitation of his own group.

The group preparing grain reports gave their reports on Tuesday, February 29 and they were enjoyed by all the class.

Last Monday the children in the low and high fifth grade saw a very interesting film on "First Americans." This film showed how the Indians lived and what work they did.

The pupils in the high fourth grade are working hard to find information pertaining to the Missions of California. Some are gathering material for reports, others are collecting pictures, and another group is building a cardboard mission.

AT CROCKER

This week the pupils of Room 2 are going to begin a very interesting unit on "Pioneer Life."

The pupils of Room 3 welcomed back Audrey Tilson who had visited Los Angeles on a recent trip.

Florence Nordgren, Room 6, has returned to school after a brief illness.

AT JEFFERSON UNION HIGH SCHOOL

By Verna Moresco

INDIANS OF RHYTHM

They did it again! Last Friday, March 3, the Indians of Rhythm played for the assembly dedicating the program to the freshmen, and did they enjoy it!

They played "jive" tunes, as well as "sweet" ones, with a novelty on the side by Eugene Grant. It seems Eugene plays the piano as well as the slide trombone, and has composed a "boogie-woogie" number which the students went wild over when he played it.

Those having solos were Don Bortis, saxophone; Barbara Gregor, piano; Emile Lemoine, trumpet. Vocalists were Pat Morocco, Marie Nunes, and Lillian Altman.

The most important part of the program was the introduction of a new theme for the band—"Blue Flame."

C. S. F.

New officers for the spring semester of C. S. F. are Verna Moresco, president; Doris Richards, vice-president; Esther Hukari, secretary.

The first meeting was held, Wednesday, March 8. Plans for the initiation of new members were discussed.

DANCES

The first after school dance of a series was held in the new building on Thursday, March 2.

Music was furnished by records.

Just another reminder about the dance on March 17 called "Daisy Mae Chase"—there are only a few days left to get your tickets!

The theme will be a combination Leap Year-barn dance.

William Fasshauer is the new entertainment committee chairman. Members on the committee will be announced next week.

PHYSICAL EDUCATION

Now that the pool has reopened the girls have swimming on Tuesdays and Thursdays and the rest of the week is devoted to volleyball.

Just recently captains were chosen from each period and they selected their teams. The teams will compete against each other and the final winners will play teams of other periods.

One day after school will be set aside for the final play-offs.

J. N. S.

A very successful field trip was held by the members of the Jefferson Naturalist society, Sunday, February 27.

Hiking out to Lake Merced they collected insects and other material.

After collecting was over the members went to Fleishhacker's.

The next field trip, March 19 to Moss beach will be sort of an initiation for the new members. Those on the initiation committee are: Lenore Ross, chairman; Paul Underhill, Barbara Blecher, Carmella Boscola, and Gloria Nopper.

Before going on the overnight trip to San Mateo Memorial park, a group from the club will spend a day exploring the park.

The project committee used sea-life as the display, last week.

ARTISTS

Ken Hatt, Ralph Davidson, Bud Fellows, and Bob Olson made their debut, last week, when they made their first appearance in San Carlo's production of "Carmen."

They later appeared in "Aida."

ABOUT SCHOOL

Visitors to the campus, last week, were Arnaldo Delia, Navy; Bob Anderson, Navy; Walt Cavagnaro, Navy.

Don't forget to buy your student body cards!

Brownie Pack Honors Birthdays

Brownie Pack No. 8 held its monthly birthday party, Thursday afternoon, March 2, at Grace Church of the Nazarene. When the Brownie box was opened the following girls were crowned St. Patrick's Day queens because they have March birthdays: Patsy Curley, Georgene Tunstall, Claudia Rowley, and Carol Ann Olson. One of the leaders, Mrs. Ethel Saame, also celebrated her birthday.

Refreshments, including a large birthday cake, were served. Visitors were Mrs. Combs, mother of one of the Brownies; Mrs. Hazel Marsh and Mrs. Charlotte Kenny, leaders for Girl Scout Troop No. 2.

The four girls who were honored at the birthday party and five others, Lona Biggs, Diane Hadley, Ellen Cooper, Kathryn Heggelund, and Jacqueline Berardy, will fly up to Troop No. 2 at the troop meeting, tomorrow, March 10, according to Mrs. Elsie Hesselein, Brownie leader.

CHOICE QUALITY MEATS AT MONEY-SAVING PRICES

This was our policy in founding the business, and is still our policy. Good meat, cut to your order, and sold at prices you can afford — that's the FARMERS' way of doing business. We think you'll like it.
